INTERNATIONAL SEARCH REPORT

International application No. PCT/CA2004/001474

Box	No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
	s interna	ational search report has not been established in respect of certain claims under Article 17(2)(a) for the following
1	[X]	Claim No. 24: because they relate to subject matter not required to be searched by this Authority; namely:
		The subject matter of claim 24 was not searched since it refers to excluded subject matter under article 17.2 (a)(i) and rule 39(i) and (v). A method of calculating an average, as disclosed in claim 24, refers to a mere presentation of information and a mathematical concept.
2	[]	Claims Nos.: because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
3	[]	Claims Nos. :
	LJ	because they are dependant claims and are not drafted in accordance with the second and third sentences of Rule
Box	K III	Observation where unity of invention is lacking (Continuation of item 3 of first sheet)
1	[]	As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
2	[]	As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.
3	[]	As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos. :
4	[]	No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos. :
Rer	nark on	Protest [] The additional search fees were accompanied by the applicant's protest. [] No protest accompanied the payment of additional search fees.
